CENTER (Public Service and Research Units) REVIEW REPORT SUMMARY

- 1. Reporting Institution**
- 2. Center Reviewed**
- 3. Date**
- 4. Contact Person**
 - 4.1. Telephone**
 - 4.2. E-mail**
- 5. OVERVIEW: discuss the center's mission and objectives, highlight its strengths and achievements during the review period, and summarize future plans for improvement**

6. MAJOR FINDINGS AND RECOMMENDATIONS:

- a) Detail the **demand for service** experienced by the center during the eight-year review period. Is anticipated demand for the research/public services provided by the center sufficient to warrant its continued support?
- b) Document the center's **achievement of its objectives**. Are its faculty/staff making significant contributions to the development and/or application of knowledge or to the delivery of services?
- c) Is the center **central to the mission** of the university? Does the research/public services provided by the center contribute to instruction of or service to students? Does it contribute to institutional, regional, or statewide priorities? If so, how?
- d) What steps have been taken to **improve the quality and productivity** of the programs and/or services provided by the center?
- e) Describe the **process in place to assess** the center's attainment of its objectives. To what extent are external peer reviewers or advisory committees used to gauge the center's effectiveness? During the eight-year review period, what were the results of the center's assessment program? For example, what level of satisfaction was reported by participants? What changes and improvements have been made as a result of assessment?
