Subject: FOIA Request

I am making a request under the Illinois Freedom of Information Act for information related to club memberships provided by Eastern Illinois University to its president.

A recent report on college executive compensation produced by the Illinois State Senate makes reference to two memberships to the Mattoon and Charleston Country Clubs included as part of the compensation package for President William Perry.

Specifically, I am asking that you provide records reflecting:

--The cost of each of the country club memberships paid for by Eastern Illinois University since January 1, 2013.

--Copies of records for any dinners, parties or university functions held at the country clubs for which university funds were expended.

I would also like to know whether the university is continuing to pay for country club membership in the contract of new President David Glassman.

If you have any questions regarding the specifics or scope of this request, please feel free to call me at 312-952-0839.

Thanks for your assistance.
