Re: Freedom of Information Act (FOIA) Request

Dear Sir/Madam:

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140, and other applicable provisions (which require public entities to provide eligible public records to the public upon request), please email me an electronic copy (e.g., MS Excel, Comma Separated file, XML, tab delimited text file) of your existing anonymized records of the grades awarded in all your courses from Fall 2007 to present, including records reflecting:

Quarter or Semester the Course was given;

Course Name and Number;

Instructor(s) Name(s); and

Anonymized grade distribution (i.e., number of A+'s, A's, A-'s, B+'s, B's, etc., but please be sure not to include any students' personally identifiable information).

My email address is _____ If only some of the requested records are readily available, please provide those. Based on similar past requests, I anticipate the charges to which you are statutorily entitled in connection with this request should not exceed \$100 (for data compilation, extraction, programming, etc.), but I hereby agree to pay up to \$250, if necessary. Please contact me at your earliest opportunity if there is any problem or you do not believe \$250 will be sufficient.

In accordance with the applicable statutory requirements, please send the requested records to me (along with any invoices for applicable charges) within ten (10) days. For your information, I intend to share this information with other members of the general public, and not for any litigation-related or improper purpose. I will also be sending you a hard copy of this letter for your records.

Thank you in advance for your courtesy and cooperation in this matter.

Sincerely,

Robert Chesnut, Esq.
