## FY2011 COUNCIL ON FACUTLY RESEARCH (CFR) GRANT COMPETITION

The Council on Faculty Research (CFR) grant competition will be held in early September. The Council supports research and creative activity. Proposed projects must address a significant scholarly issue. All tenured/tenure track faculty in Bargaining Unit A, department chairs, and associate chairs are eligible to submit in the Fall 2010 (FY11) competition. Beginning with awards made during the Fall 2005 competition, any individual may receive only two consecutive Fall awards, after which the individual will be ineligible for a Fall award in the third year. Specifically, receipt of an award for the FY2009 and FY2010 competition will make an individual ineligible for an award in the FY2011 competition; eligibility will resume in the FY2012 competition. **Eligible persons who wish to apply for funding from the CFR should hand-deliver one copy of their proposal to the Office of Research and Sponsored Programs, 1102 Blair Hall, no later than 12:00 noon, Wednesday, September 8, 2010.** Researchers who have previously received a CFR grant and/or Summer Research Award should make sure a progress/final report is on file for each award in the Office of Research and Sponsored Programs. To obtain a copy of the application materials, please visit our website at [http://www.eiu.edu/~grants/OS\\_Internal\\_Forms.php](http://www.eiu.edu/~grants/OS_Internal_Forms.php). Applicants should be sure they use the most current application forms. If you have any questions, please contact Brad Green in the Office of Research and Sponsored Programs at 581-2125.

## FY2011 PROPOSAL INITIATIVE FUND ROUND 2

The purpose of the Proposal Initiative Fund (PIF) is to support projects with potential to lead to significant external funding. Normally, anyone who accepts a PIF grant will agree in writing to submit a proposal for external funding within 12 months of the end of the PIF grant. There are two types of PIF grants: Type A (maximum of \$1,500) and Type B (maximum of \$7,500). Applicants for Type A grants must demonstrate plans to apply for an external grant worth a total of at least \$20,000 within one year of the end of the Type A grant. Applicants for Type B grants must demonstrate plans to apply for an external grant worth at least \$50,000 per year within one year of the end of the Type B grant.

Upcoming Deadlines: The proposal must be hand-delivered to the Office of Research and Sponsored Programs, 1102 Blair Hall, by noon on October 27, 2010. To access the application please [click here](#).
