[\\*ACEND website](#)

State/Territory	Academic Unit	Degree/Program	License/Certification	Program Determination
Illinois	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
State/Territory	Academic Unit	Degree/Program	License/Certification	Program Determination
Alabama	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Alaska	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program

Arizona	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Arkansas	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
California	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Colorado	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program

Connecticut	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Delaware	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
District of Columbia	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Florida	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program

Georgia	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Hawaii	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Idaho	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Indiana	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program

Iowa	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Kansas	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Kentucky	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Louisiana	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program

Maine	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Maryland	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Massachusetts	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Michigan	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program

Minnesota	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Mississippi	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Missouri	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Montana	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program

Nebraska	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Nevada	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
New Hampshire	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
New Jersey	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program

New Mexico	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
New York	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
North Carolina	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
North Dakota	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program

Ohio	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Oklahoma	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Oregon	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Pennsylvania	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program

Rhode Island	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
South Carolina	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
South Dakota	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Tennessee	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program

Texas	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Utah	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Vermont	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Virginia	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program

Washington	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
West Virginia	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
Wisconsin	Nutrition and Dietetics (NTR)	Didactic Program in Dietetics (DPD)	Bachelor's degree and verification of completion statement from an ACEND-accredited program.	Successful completion of the DPD program prepares a student <b>from any US state</b> or territory to apply for an ACEND-accredited Dietary Internship (DI) program
