Instructions For the Reverse Side of This Sheet

- a. At least one 3 s.h. course must be taken in non-Western or Third-World cultures. A “cultural diversity” course is also required. One course MAY do both. Consult with your advisor regarding these requirements.
- b. SPE 3201 requires previous completion of SPE 3200 OR concurrent enrollment in SPE 3200.
- c. When choosing from the Social Sciences (Social and Behavioral) list of courses, students should NOT take any course with the following prefixes to meet these 6 hours: CMN, PHI, FMD, NTR, HSL, CTE, JOU, KSR, WST, or HSR.
- c. Scientific Awareness/Science: **GEO** includes Earth Science and Geology; may not use Geography courses.
- ** Formal University and Department approval are a prerequisite for student teaching. There are two applications: one to the University and one to the Department. A grade point average of 2.65 in all courses with a SPE prefix is required for admission to and retention in teacher education. Other department criteria are also in effect. **Consult your advisor for these. Also, consult your catalog regarding University requirements.

Sixteen (16) hours in student teaching are required: one eight (8) s.h. experience in an Elementary classroom, 1-5, and one, eight (8) s.h. experience in an LBS I classroom with individuals with varied exceptional learning needs, 6-12. You must have passed the Elementary content test, LBS I, and General Curriculum test prior to student teaching.

Credit in student teaching reflects successful completion of student teaching; the edTPA must be passed prior to licensure.

Other Requirements: Consult your catalog.

1. Admission to Teacher Education
2. Application for licensure and endorsements
3. Application for Graduation
4. Electronic Writing Portfolio
5. 56 semester hours from a senior institution
6. 40 semester hours of upper division credit
7. 42 semester hours from E.I.U.
8. 32 s.h. from E.I.U. AFTER end of term in which one becomes a junior.
9. 12 s.h. from E.I.U. AFTER end of term in which one becomes a senior.
10. Registration with the Placement Office
11. Final Check

You must have a “C” or better in each and every course you use toward graduation or licensure.
