Dear Art Teacher, School Administrator, and/or Principal,

The Tarble Arts Center cordially invites you and your students to participate in the **Art from Here** exhibition scheduled at the Museum, on the campus of Eastern Illinois University in Charleston, Illinois, from **FEBRUARY 10–MARCH 11, 2023**.

Art from Here was previously known as the **Children's Art Exhibition**, and for the past 39 years, this exhibition has provided a platform for arts teachers from Coles County and seven surrounding Counties (Christian, Cumberland, Douglas, Edgar, Effingham, Moultrie & Shelby) to display and highlight the artwork of students K-12, within a museum setting. The mission of the exhibition is to help nurture and support the importance of creative, critical thinking within the K-12 arts.

We encourage you to accept our invitation to participate in the 2023 exhibition, and also welcome you to share this invitation with your principal and superintendent. If you wish to participate this year, kindly fill out and return the **Intent to Exhibit** form to the Tarble Arts Center via email to tarbleprograms@eiu.edu by **DECEMBER 2, 2022**. If you teach at multiple schools, please fill out and submit a separate **Intent to Exhibit** form for each school.

Completed **Inventory Sheets** are due by **4:00 pm FRIDAY, DECEMBER 15, 2022**. These inventory forms will be used to produce exhibition labels by the exhibition opening date. After submission of the inventory sheet, no changes may be made to the inventory. **If you teach at multiple schools, a separate inventory sheet for each school is required.**

The success of this yearly event is in thanks to the ongoing dedication of the art teachers, and the creativity of the student artists.

We look forward to your participation in the 2023 exhibition and encourage you to share this invitation with representatives of your district. Please contact the Tarble Arts Center at 217-581-ARTS (2787) or via email to tarbleprograms@eiu.edu before December 2, 2022, with any additional concerns or questions. Thank you in advance for your welcomed collaboration.

Sincerely,

Jennifer Seas,
Director and Chief Curator

ENTRY RULES

Please, use one form per school

All works must be original and produced under the direction of the student's art teacher or student teacher. Works produced outside of a school's art program are not eligible.

Each school is allowed a quantity of 10 artworks.

Please ensure that the **Intent to Exhibit** form is received by the Tarble Arts Center on or before **FRIDAY, DECEMBER 2, 2022**, and the **Inventory List** form is received by the Tarble Arts Center on or before **FRIDAY, DECEMBER 16, 2022**.

IMPORTANT: **Inventory List(s)** must be accurate and fully completed since the exhibition labels are developed from the information you provide. All pieces must have a completed identification label attached to the upper right hand corner on the back of two-dimensional works or temporarily attached to a visible area on three-dimensional works. Use the **Identification Tags** provided by the Tarble, making sure each tag includes the student's name, grade level, school, title, media, and Art instructor's name. These tags need to be completed and affixed to works prior to dropping off art works off during the intake process.

Two-dimensional works should be properly matted (matboard, tagboard) and equipped for hanging, no exact dimensions are required. Frames are also acceptable for two-dimensional works. The Tarble Arts Center will produce a label for each piece; if your school elects to provide additional labels for the works, please trim or reduce the labels to ensure that they do not cover any part of the artwork. Multiple framing (i.e., more than one work in a single frame) should be limited to two works per frame, or for very small pieces, up to four pieces may be presented together (please note: if you elect to mount more than one artwork on a single board, each artwork still counts as an entry—i.e., if you mount two works on one board, that counts as two separate entries).

All entry specifications and deadlines will be strictly enforced, and acceptance of works is dependent on compliance to these specifications as listed above and on the **Exhibition Timeline**. Works that are not properly catalogued, matted and/or have the appropriate hanging gear attached will not be accepted or displayed.
